

感谢少数族裔媒体中心（EMS）对我工作的认可与鼓励。我从事新闻工作28年，很幸运，当我移民到美国，能够继续用我熟悉的语言服务我们的社区，我深刻的体会到华文媒体对于少数族裔移民的重要意义，感谢星岛日报的推荐和帮助，也感谢我的妻子儿子以及远在中国广州的父母和妹妹的支持和鼓励。在过去的一年，由于病毒和国外情绪的传播，华人社区小商业经历了更多的挑战。感谢EMS让我们有机会分享华人社区在抗疫、反歧视和救经济所做的一切努力和成功。我们不会停止我们的快门跟按键。期待我们的报道，能够继续成为重建家园的动力。也希望华人社区和其他社区团结起来，让我们更加强大，最终战胜疫情和仇视。谢谢你们的认可。

Thank you Ethnic Media Services for your recognition of my work and for the encouragement. Having worked in journalism for 28 years, I feel blessed that I can continue serving our community using the languages I'm familiar with. I've deeply felt the importance of Chinese media for immigrant minorities. Thank you Sing Tao Daily for the recommendation and help. I'd also like to thank my wife, my son, as well as my parents and my younger sister who are far away in Guangzhou, China, for supporting and encouraging me. Over the past year, with the spread of COVID-19 and anti-Asian sentiment, Chinese-owned small businesses have experienced more challenges than ever. Thank you EMS for giving us the opportunity to share all the work and achievement made by the Chinese community in fighting against the pandemic and discrimination, and in restoring the economy. We'll never stop filming and typing down what we see. I hope that our coverage will continue to drive the rebuilding of our homes. We also hope that the Chinese community and other communities will unite to make us stronger and finally overcome the pandemic and hate. Thank you again for your recognition.
